# Location

Cambuslang is one of Scotland's best industrial and logistics locations, located on the M74 corridor only 7.5 miles south east of Glasgow city centre.

The property is situated on Clydesmill Drive, accessible via Clydesmill Road, in Cambuslang. Forming part of the wider Clydesmill Industrial Estate, a buoyant hub of business and industry, many prominent businesses operate within the surrounding area including CCG, DHL, DPD, Parcelforce, Scottish Power, Royal Mail, Siemens, Muller, Speedy Services and Mammoet.

The A763 directly neighbours the eastern boundary and offers a direct route to the M74 (South), which links to the M73 (North) towards Stirling and M8 to Edinburgh, as well as Carlisle and the M6 of northern England.

Junction 2A of M74 (North) is accessible within a 1-minute drive and offers routes towards Glasgow and the west. Clydeport and Glasgow International Airport can both be reached in under 20 minutes whilst Belfast can be reached in under 4.5 hours by road and sea.
