RE: Permission consequent - 2 no. single storey dwellings, served by separate treatment plants, provision of new vehicular entrance accessed off the R117 with associated site works at Swiss Cottage, Cookstown, Enniskerry

Planning Reference: 22/971

Compliance Condition 7

Dear Sir/Madam,

On behalf of Irish Social Infrastructure Holdings Limited, 8-32 Percy Place, Dublin 4
 IFA wish t submit compliance for Condition 7

The stone to be used for the roadside boundary shall be submitted to and agreed acceptable in writing by the Planning Authority prior to the commencement of development. Details of the stone may be conveyed to the Planning Authority by the submission of photographic evidence. Only natural stone shall be used, and on no account shall reconstituted stone be used.

It is proposed to reuse the stone from the existing wall to construct the new wall in the location as indicated in the Granted Planning submission to match the existing.
