

Final Plat Approval:

(Revision)

The Director of the Department of Planning & Development certifies that this plat complies with the Zoning Resolution and the Development Regulations, and that it has been approved by all other operational county departments, as appropriate. This plat is approved subject to the provisions and requirements of the Development Performance and Maintenance Agreement executed for this project between the Owner and Gwinnett County.

DATED THIS 30th DAY OF April, 2012.

FINAL REGISTERED LAND SURVEYOR'S CERTIFICATE

It is hereby certified that this plat is true and correct as to the property lines and all improvements shown thereon, and was prepared from an actual survey of the property made by me or under my supervision; that all monuments shown hereon actually exist, and their location, size, type and material are correctly shown. The field data upon which this plat is based has a closure precision of one foot in 19,078 feet and an angular error of .02" per angle point, and was adjusted using the compass rule. This plat has been calculated for closure and is found to be accurate within one foot in 324,984 feet, and contains a total of .20.043 acres. The equipment used to obtain the linear and angular measurements herein was Topcon GTS 3005 Total Station and Allegro Data Collector.
