1170 N Rancho Robles Road  
Oracle, AZ 85623

## Property Summary

El Rancho Robles guest ranch is a sprawling historic 17-acre ranch built in the 1920s that features approximately 20,000 square foot of architecturally authentic buildings with improvements. The glorious setting includes rock walls, stone bridges, a wading pool, centuries-old oak trees, and a legendary alleged "energy vortex." With approximately 36 guest rooms, there are a variety of options for guest stays, ranging from one bedrooms with queen beds that sleep two, to larger guest rooms with two bedrooms and two baths. The ranch also offers charming stand-alone casitas with full kitchens which can sleep up to eleven. The ranch has accommodated up to 105 people for weddings and family reunions.

El Rancho Robles was last purchased in 2012 by Blake Campbell, a meticulous builder and expert in historic renovations with the vision to restore the ranch to its full potential as a gracious guest ranch, retreat facility, wedding venue, and a stunning spot for family reunions, and corporate meetings.

The original hacienda is an elegant old home that has been redesigned to include a fireplace board room/meeting room, along with a lovely outdoor seating area, dining room, and commercial kitchen. Presently meals are catered, but additional improvements could transform this area into a fine restaurant for guests and locals alike who seek a taste of the "Old West."

The library room doubles as a meeting place, a place for quiet rest and contemplation, or a "bride's room," where the bridal party prepares for the walk down the aisle in the splendor of the beautiful outdoor setting.

Guests may play horseshoes, take hikes, or sit and tell stories by the evening campfire. Tents may also be set up in a designated area for a true outdoor experience.

## Location

El Rancho Robles Guest Ranch is located at 1170 N. Rancho Robles Road, nestled at the base of the Santa Catalina Mountains. Oracle is a small, charming, eclectic town called home by many artists, writers, restaurants, and small shops. Oracle was founded by miners in the 1880's, when the Post Office was established. The Ranch itself was built around 1910. Oracle lies 30 miles north of the Tucson City limits—an hour from the Tucson International Airport, and 90 minutes from Phoenix International Airport.

Oracle is nestled at about 4,500 feet, which makes it up to ten degrees cooler than Tucson, both summer and winter. Local interests include the Arizona Zipline Adventures—Arizona's longest Eco Tour zip line. Biosphere 2, the research and

development mecca that is run by the University of Arizona and was originally built to show how life could be contained inside a "bubble" for several years at a time, is a few miles down the main highway. Catalina State Park has acres of hiking trails, horse paths, and picnic areas. Oracle State Park, open only on weekends, features tours of the fantastic old Kannally Ranch House, a very early ranch in this area. Off-road excitement, hiking, and rock-climbing tempt back-country folk from every direction. Finally, El Rancho Robles is just a wonderful place to kick back in a hammock, read a book, and dream of the West of yesteryear!
