Zoning Description SPA-1 EAST MICHIGAN DEVELOPMENT ZONE DISTRICT Section 11a.01. - Intent. The city planning commission, in adopting this special planning area ordinance, intends to encourage development on the property described in exhibit A which will accomplish the following objectives: (1) Protect the natural runoff patterns, wetlands and rolling landform, to prevent disruption of natural drainage, and minimize storm runoff loads. (2) Preserve existing trees and natural vegetation. (3) Reduce curb cuts and street intersections on East Michigan Avenue to maintain adequate traffic flow and increase safety, by reducing turning movements. (4) Cluster development to reduce street length and utility runs and organize circulation. (5) Reduce sign clutter. (6) Limit commercial development to that which will supplement, but not replace, downtown commercial uses, to maintain economic balance in the community. (7) Encourage mixed land use to maintain and extend the image and quality of life of the city. Section 11a.04. - Uses. (1) All uses permitted in the following land use groups, as regulated and described by articles of this ordinance, may be permitted in SPA-1, subject to planning commission findings that the site plan for any proposed use satisfies the standards set forth in sections 11.06, 11.07, and other applicable portions of this ordinance. Land use groups as regulated by SPA-1: Residential Article 4, section 4.04. 1 through 7. Office Article 4, section 4.04. 9 through 10. Commercial Article 4, section 4.04. 11 through 13. Industrial Article 4, section 4.04. 14 through 16.
