# Benefits of the WeWork Platform

## No Upfront Capital Investment

Eliminate significant upfront costs associated with building and leasing your own workspace, while reducing construction and real estate risks

## Global Portfolio & Provider

WeWork's "space-as-a-service" model allows companies to have offices and services around the world through a single provider

## Evolved Space Experience

WeWork leverages our 1,000+ experienced in-house architects and designers to create engaging spaces that attract and retain top talent

## Flexibility

WeWork offers more flexibility than traditional leases with shorter commitment terms and options for expansion, contraction, transfer and early termination

## Speed to Operate

Utilizing unparalleled inventory and agile teams, we quickly turn visions into an office overnight
