Affordable Multifamily Development Site

FREMONT STREET, FERNLEY | NEVADA

Fernley Overview – City of Opportunity!

Fernley has tremendous development and business opportunities and is well located near major manufacturing and distribution centers serving the western states. This is the right location for an Affordable Multifamily Development Site. An ideal western location with a pro-business climate, the City is thriving in transportation with businesses that are relocating and expanding, ranging from multi-national companies to micro and home based businesses. Fernley's cost of living is lower than the National index which helps attract future homeowners to the area. It is a great location for companies' employees to plant their roots to this growing community.

The sixth largest city in Nevada, Fernley has a strong economic base and diverse marketplace. With all of the advantages that Fernley has to offer, the City has attracted the attention of nationally recognized companies that are looking to provide employees and their families with an outstanding quality of life. With excellent public schools, a community technology center, and nearby higher learning institutions, Fernley offers a learning environment that benefits employees and children.

Fernley is the right place to be for a growing Multifamily Developer!
