> I-49: 78,000 VPD

> Pleasant Grove Road: 14,000 VPD

Property Highlights

Excellent access With a newly widened and updated Pleasant Grove Road and visibility interchange, Mills Farm has excellent highway access. Mills Farm fronts I-49, which has a traffic count of approximately 78,000 vehicles per day. The location is also one exit south of the region's premier shopping destination, Pinnacle Hills Promenade, as well as one of the region's highest-income residential areas, Pinnacle Country Club.

Growing Retail Northwest Arkansas is experiencing the biggest retail boom in the state. Within less than one mile of Mills Farm new restaurants and retail have recently opened, including Academy Sports, Burlington Coat, Ross Dress for Less, Whataburger, and Cavender's.

Surrounding

Multiple professional and medical offices are immediately Offices north of the property, including General Mills and Nestle.

Developments Pleasant Grove Road has recently been extended west of the site from I-49 to Highway 112 (Cave Springs), bisecting the two most prominent golf and tennis communities in Northwest Arkansas, Pinnacle Country Club and Shadow Valley Country Club, and accessing the numerous high income communities of SW Rogers.

Site Plan

NORTHWEST

Arkansas

The Fayetteville-Springdale-Rogers Metropolitan Statistical Area is a four-county area including three Arkansas counties and one Missouri County. It is anchored by the Arkansas cities of: Bentonville, Rogers, Fayetteville, and Springdale, and more commonly known as Northwest Arkansas.

The MSA is one of the fastest growing MSAs in the nation, and is estimated to have reached a population of 500,000 as of May 28, 2014. Constituent counties of the MSA include: Benton County, Madison County, Washington County and McDonald County, Missouri.

NWA is projected to grow at 4.2% annually between 2013 and 2020, making it the third fastest growing metropolitan area in the nation behind Austin, Texas and Raleigh, North Carolina.

There are four major cities in the MSA. The most recent 2014 estimate predicts Bentonville has 41,613 residents, Rogers has 61,464 residents, Springdale has 76,565 residents, and Fayetteville has 80,621 residents.

Fueled by an amazing entrepreneurial spirit, Northwest Arkansas emerged from humble beginnings to become one of the nation's most thriving economic regions with a unique mix of business and education power the area. Industry leaders such as Walmart, Tyson Foods and J.B. Hunt started here, and their presence continues to drive growth.

MAJOR EMPLOYERS

Walmart Founded in 1962, Walmart has grown from one store to nearly 18,000 retail units worldwide and is responsible for a significant percentage of the United States GDP. Total sales for the 2014 fiscal year reached approximately \$473 hillion.

> With 13,000 home office employees located in Northwest Arkansas, Walmart is continually expanding. The Walmart supplier community is also expanding its presence in Bentonville in conjunction with Walmart. Virtually any company that sells products to Walmart has located an office in Northwest Arkansas.

JB Hunt J.B. Hunt Transport Services, Inc., one of the largest transportation logistics companies in North America, provides safe and reliable transportation services to a diverse group of customers throughout the continental United States. JB Hunt's corporate office in Lowell has grown and spawned companies such as Transplace, a third-party logistics service company. JB Hunt employs over 14,500 people in 48 facilities across the lower 48 states, more than 2,500 of those in Northwest Arkansas. and operates approximately 10,000 tractors and 60,000 trailers. Revenues exceed \$3 billion for the corporate office.

Tyson Located in Springdale, Tyson began in the 1930s as a family business delivering chickens and has grown to become the world's largest processor and marketer of chicken, beef, and pork, the second-largest food company in the Fortune 500, and a member of the S&P 500. In August 2014, Tyson Foods, Inc. completed its merger with Hillshire Brands Company, a transaction that creates a single company with more than \$40 billion in annual sales. The company provides products and services to customers throughout the United States and more than 90 countries. Tyson employs 115,000 team members at more than 400 facilities and offices in the U.S. and around the world

University of The University of Arkansas has grown more than 50% Arkansas in the last decade to an enrollment of 26,237 as of fall 2014. The university received a billion dollars from a fundraising campaign through the efforts of the Walmart foundation matching funds program and is using a large portion of the money to transform the university into a research university, thus expanding the area's economic base by becoming more diversified with higher-wage jobs. The university has 1,203 faculty members and a combination of full time and part time staff of 3,013.
