*"We have been tenants of Talia Jevan Properties since 2007; we have experienced nothing but outstanding treatment and support from them. As a large school, we have been tenants of many landlords, and we can confidently say that Talia is one of the best landlords (if not the best) we have ever dealt with. They provide genuine excellence in service to their tenants."*

*"Global Relay's business growth would not have been possible had it not been for a real partnership approach with our landlord, Harmel Rayat at Talia Jevan Properties. Harmel has worked alongside us to ensure our business has had a place to grow when we have needed it. He has accommodated our progress in the building over ten times in nine years. There are very few landlords that would take such a proactive partnership approach and we're very grateful for that."*
