

ADVANCING THE WORKPLACE EXPERIENCE

The 818 experience is immediately evident as you enter the lobby and scale the grand staircase to the 11,600 square foot indoor/outdoor, social/collaboration space, with an attached 4,200 square foot fitness facility. This unique space represents the best in workplace amenities. Combined with the buildings overall architectural excellence, you have an engaging and dynamic workplace environment.

818 Stewart's premier downtown location resides at the intersection of innovation and global connectivity. Here, you are surrounded by talent from the world over, where achievement is the daily product of relentless imagination.

All this and we haven't even stepped foot inside 818 Stewart yet – an office experience crafted around a simple idea; that a workplace should elevate peoples' productivity and enhance their daily lives.

Inside and out, this is a place where people want to be. A locale that feels, at once, both substantial yet soothing – inspiring while inviting. Simply put, 818 Stewart is Seattle's Advanced Workplace Experience.
