- Raw land with mature trees and lots of nursery specimen plants

Property Description

This area of the Big Island is booming with home sales! This lot is located right off the bypass road and across from Keaau High School. Rezoning to subdivide the lots for 1 acre home sites is the perfect use for a nice return on your investment. As this lot is currently owned by a landscape operation, there are beautiful mature trees that could also benefit the development or put money in your pocket now.
