Summary

Colliers is please to present to owner-users and tenants the opportunity to purchase or lease 6250 Corporate Drive, a high quality office/warehouse property in the sought after north Colorado Springs market. Directly off I-25, this highly visible location offers easy access any where in the metro and is surrounded by a diverse mix of retail, flex, and medical users.

The property totals 48,000 SF (50% office/showroom on the upper level/mezzanine and 50% warehouse/distribution on the lower level). The building can be demised to accommodate various sized tenants or sold to a single user. The office finish on the upper floor has been mostly demolished, providing a tenant or user with a blank slate (see conceptual space plan on page 3).
