1801 - 1839 W Carroll Ave | Chicago, IL

Colliers is pleased to present a one-of-a-kind opportunity to purchase a 5-building assemblage in one of Chicago’s hottest submarkets.

This rare opportunity of scale is situated in a fast-growing neighborhood that continues to shatter pricing records and usher in innovative and industry leading companies such as Google, McDonalds Global, Mondelez International, Ernst & Young, and consumer product giant Herman Miller. From established corporate and professional services, to early growth-stage companies and creative firms, the ongoing activity continues to validate the area as the place to do business.

The appeal comes as no surprise as companies look to attract talent to the trendy neighborhood. Fulton Market and Randolph Row have long been home to some of the best dining experiences in Chicago. Now, a diverse mix of breweries, bars, upscale hotels and clubs like Soho House, the Hoxton, Nobu, Alinea Group, and Goose Island brewery, cement the area as the place to live, work, and play.

Join in on the action. With over 1,500,000 SF of office, multi-family, and retail development under construction and more than 10,000,000 SF of proposed development plans in the pipeline, the area shows no signs of stopping now.
