We're busy revitalizing, recruiting, upgrading.

What hasn't changed is the caring.

In December, St. Vincent Medical Center became part of Verity Health System. Our goal? To serve our community in the way only a state-of-the-art hospital can. We're investing in new equipment, facilities and top-notch physicians and nurses. But you'll experience the same care and kindness you've come to expect from St. Vincent. To improve the health of our patients, we're also improving the health of our hospital.

Positive change is on the way.
