

BUILDING YOUR VISION

in.studio
architecture

An architectural rendering of a modern, two-story office building. The building features dark brown vertical siding on the upper floor and light grey horizontal siding on the ground floor. Large windows are arranged in vertical columns. A logo with the text 'COMPANY Name' and a stylized green and blue figure is visible on the building's facade. In the foreground, there is a parking lot with several cars (a green car, a silver car, and a blue car) and a few people walking. The sky is blue with scattered white clouds.
